Please note:

To reduce your potential postal costs, make your parcel as small as possible. Some garments can and will change colour slightly and some dramatically, wax dressing is a Neutral colour and have no dyes, special finishes on modern Wax Cotton Garments can never be replicated. Wax Jackets are an outdoor item of clothing, after the Cleaning & Re-waxing it is advisable NOT to wear indoors and in Motor Vehicles as the wax dressing will transfer on to other fabrics. After the process some have a more of a stickier finish than others, please see Info-Sheet for details, but this will settle down after a sort time of wearing. Your item will 'NOT' come back NEW it will be returned Cleaned and Professionally Re-Waxed by hand. Cleaned means we will get it as clean as possible, it is a gentle cleaning process so there are limitations, in 95% + of cases we get them perfectly clean, some stains may still be visible!! But the garment will be clean and more importantly fully wearable. We do not take any responsibility for items that go missing when in transit to our premises, this is the courier's responsibility. We cannot be held responsible for items going missing on the return journey.

In sending your garment for Cleaning / Repair / Alteration & Re-waxing, you are giving authority for Wax Jackets Cleaned / Wax Jackets UK LTD to complete the necessary works to make your garment fully wearable again and agree to all Wax Jackets Cleaned / Wax Jackets UK LTD Terms & Conditions.
